

STATE of WISCONSIN

OFFICE of the GOVERNOR

Proclamation

WHEREAS; corticobasal degeneration is a rare progressive neurological disorder characterized by nerve cell loss and atrophy of multiple areas of the brain, including the cerebral cortex and the basal ganglia; and

WHEREAS; symptoms of corticobasal degeneration include poor coordination, akinesia, rigidity, disequilibrium, limb dystonia, and alien limb syndrome, as well as cognitive and visual impairments, apraxia, hesitant and halting speech, muscular jerks, and difficulty swallowing; and

WHEREAS; there is currently no known treatment available to slow the course of corticobasal degeneration, and the symptoms of the disease are generally resistant to therapy; and

WHEREAS; raising awareness of corticobasal degeneration can result in earlier diagnoses, improved medical treatments, increased research, and more widespread access to quality healthcare for affected individuals; and

WHEREAS; this month, the state of Wisconsin joins corticobasal degeneration patients, families, and dedicated individuals and organizations across our state and country in raising awareness of the disorder and embracing hope that advancements in research and medicine will soon lead to improved treatments and a cure;

NOW, THEREFORE, I, Tony Evers, Governor of the State of Wisconsin,
do hereby proclaim June 2021 as

CORTICOBASAL DEGENERATION AWARENESS MONTH

throughout the State of Wisconsin and I commend this observance
to all our state's residents.

IN TESTIMONY WHEREOF, I have
hereunto set my hand and caused the
Great Seal of the State of Wisconsin
to be affixed. Done at the Capitol in
the City of Madison this 28th day of
May 2021.

Tony Evers
TONY EVERS
GOVERNOR

By the Governor:

Douglas La Follette
